Remember Me Thursday® Social Media Ideas - #RememberTheRescue

Don't have a lot of time? Share any of these social media ideas and invite others to share the light and beauty of pet adoption on Remember Me Thursday.

And be sure to tag your rescue pet's photo on Twitter or Instagram with #RememberTheRescue +#RememberMeThursday for a chance to win life-saving funds and food for a pet adoption organization you love! You can also participate at our website.

Here are some other ways to get involved with local orphan pets in your community:

- Go to a pet adoption organization's website and share an adoptable pet there that melts your heart,
- Organize a pet food donation drive to help feed the adoptable pets at a local pet adoption facility,
- Do an evening flashlight walk with your neighbors and their dogs,
- Near the beach or a lake? How about a pet paddle out?
- Read books to adoptable cats at your local pet adoption org to help socialize them,
- Take a pic of your adopted pet (or pets) with a flameless candle to show solidarity,
- The choices are endless – do what inspires you!
