BE A PART OF THE **global awareness** MOVEMENT

REMEMBER ME THURSDAY®

Animal-lovers and animal welfare organizations across the globe unite **Thursday, September 22nd, 2022** with a **Remember Me Thursday Virtual and In-Person Candle-Lighting Ceremony**

Light a virtual candle on-line at **www.remembermethursday.org** and share the message on Instagram, Facebook, Twitter and other social media channels using **#SeeTheLight** and **#RememberMeThursday.** The candles, lit on the exact same day across the world, will honor the millions of pets who lost their lives without the benefit of a loving home and shine a light on the millions of healthy pets who are still awaiting adoption.
