

# BE A PART OF THE **global awareness** MOVEMENT

Animal-lovers and animal welfare organizations across the globe unite  
**Thursday, Sept. 28<sup>th</sup>, 2023**

Light a virtual candle on-line at [www.remembermethursday.org](http://www.remembermethursday.org) and share the message on Instagram, Facebook, Twitter and other social media channels using **#ShineALight** and **#RememberMeThursday**. The candles, lit on the exact same day across the world, will honor the millions of pets who lost their lives without the benefit of a loving home and shine a light on the millions of healthy pets who are still awaiting adoption.
